

Mature, reliable, cost-effective

Sunamp Controllers

UniQ System Controller
UniQ PV DC Controller

Heat Battery Options

Sizes: 3, 6, 9, 12, 80*
AC or DC elements*

Third Party HVAC Compatibility

Boiler (Gas, Combi, Oil, Biomass, LPG)
Heat Pump (Air, Ground, Water)*
Controllers (Standard, Smart, Opentherm)
Solar Panels (PV or Solar Thermal)
PV AC Diversion Controller*

* Consult Sunamp for compatible units and sizing
